

2024-2025 Logic School Electives

Important Information:

All-year electives require students to be enrolled in the entire year to receive credit.

Required electives:

6th Grade	Notes:
Microsoft Tools & Typing	
Art: Foundations	
Two electives from the general list	

7th Grade	Notes:
PE: Boy or Girls	Required for every student, regardless of sport participation.
Music: Chorus or Band or Fundamentals of Music	Students may choose one option; exempt if a music class was taken in 6 th grade
Two electives from the general list	

8th Grade	Notes:
Personal Finance	
Three electives from the general list	

All-Year: Monday/Wednesday			
Fine Arts	Drama (Advanced)/NCTC	7th & 8th students only , with accepted audition. We build on the foundations that were laid in Beginning Drama and prepare a full production, putting into practice everything the students have learned.	Fee: \$50

All-Year: Tuesday/Thursday			
Fine Arts: Music	Chorus	Middle School Chorus. One performance per semester. Join in the creative process of learning to read music and enjoy singing!	7th grade requirement option Fee: \$50
Fine Arts: Music	Band	An intermediate level course of instruction in the brass, woodwind, or percussion instrument of the student's choice. Students must be taking private lessons.	7th grade requirement option Fee: \$50

** Athletic/PE shirt and shorts, purchased from Flynn O'Hara, are required (a CCS spirit wear shirt is also permissible).

2024-2025 LOGIC SCHOOL ELECTIVES

Semester 1: Monday/Wednesday			
Fine Arts	Art: Foundations	6th grade students only. Artwork focuses on foundational art skills and learning the Elements and Principles of art and how to write about their artwork. We'll look at early American artists for project inspirations as well.	6th grade requirement Fee: \$25
Fine Arts	Art: Advanced	7th and 8th grade students only. Focus on Elements and principles through various projects, writing about their work, and using multiple media. <i>Prerequisite: Any previous art class</i>	Fee: \$25
Fine Arts: Music	Fundamentals of Music	Students from musical or non-musical backgrounds gain the knowledge necessary to achieve a higher level of musicianship skills. The topics and skills that will be covered and put into practice include reading pitches, naming notes, counting rhythms, identifying keys and scales, building chords and chord progressions as well as basic ear training skills. By analyzing famous performances, musical scores and practicing aural skills, the musical elements will come to life in a tangible way. Students will dive into the vast and intriguing background of popular artists, composers, and performers in history.	7th grade requirement option Non-performing music class
PE	Girls PE	This class will be a fitness class. It will explore bodyweight exercises, strength training, yoga, and running.**	7th grade requirement Girls only.
STEM	Microsoft Tools & Typing	Learn how to type like a pro on the keyboard. Additionally, students will learn how to track their typing progress using Microsoft EXCEL and create a slide presentation using Microsoft PowerPoint.	6th grade requirement
English/Literature	Great Books	This elective will utilize the great classical stories to engage students in analytical dialogues. We will begin with short stories to encourage conversations to foster discussion on themes, conflicts, and basic plots, and then, we will read some great classical books. This elective cultivates conversation based on great books and how they apply to our lives.	
English/Literature	Creative Writing	Do you love to read and want to hone your skills as a writer? This class will introduce you to a wide variety of poetry and prose and give you an opportunity to practice different styles of writing. We will learn to develop a Christian imagination, with opportunities for discussion and times to share our work.	
General	Personal Finance	Using Dave Ramsey's Foundation in Personal Finance, student will learn how to save and manage their money.	8th grade requirement
General	Academic Labs	The Lab elective will consist of three different rooms: <ul style="list-style-type: none"> • Writing/grammar/literature teacher will help support students who need help writing an assignment or paper. • Math/Science teacher will help support students who need help with their homework for math, reteach a concept, or prepare for the upcoming assessment. • Homework teacher will maintain a quiet working environment for students who do not need any direction but want to get their homework done The students may pick one of the three rooms to go to but are not locked into one area of support for the entire quarter.	

** Athletic/PE shirt and shorts, purchased from Flynn O'Hara, are required (a CCS spirit wear shirt is also permissible).

2024-2025 LOGIC SCHOOL ELECTIVES

Semester 1: Tuesday/Thursday			
Fine Arts	Art: Foundations	6 th grade students only. Artwork focuses on foundational art skills and learning the Elements and Principles of art and how to write about their artwork. We'll look at early American artists for project inspirations as well.	6th grade requirement Fee: \$25

PE	Team Sports	Learn, practice, and compete in a variety of sports throughout the semester, each sport culminating in a competition between the two Team Sports classes. Sports include, but not limited to: Kickball, Ultimate Frisbee, Wiffle Ball, Hand Ball, Soccer, Basketball. No previous knowledge of the sport is required - just come ready to play.**	Co-Ed 8th Grade only
PE	Boys PE	This class will be a fitness class. It will explore bodyweight exercises, strength training, yoga, and running.**	7th grade requirement
STEM	Microsoft Tools & Typing	Learn how to type like a pro on the keyboard. Additionally, students will learn how to track their typing progress using Microsoft EXCEL and create a slide presentation using Microsoft PowerPoint.	6th grade requirement
Biblical Worldview	Girls Bible Study	Designed for 7th and 8th grade girls to grow spiritually in their own relationship with God, as well as in fellowship with one another. We will study various biblical books, teachings, and themes throughout the year and discuss how we can apply this Truth to our lives. Throughout the elective you can expect to study and discuss scripture, practice personal and corporate prayer, journal reflections, and participate in different group activities.	7th and 8th grade only
General	Strategy Games	This elective is for any student who wants to be challenged and grow in the use of strategy and sometimes teamwork. The class will be centered around several different board and card games that will range from simple to complex, conquest to co-op. All students should be ready to participate, have fun, and stretch your mind.	
General	Personal Finance	Using Dave Ramsey's Foundation in Personal Finance, student will learn how to save and manage their money.	8th grade requirement
