

MITIGATING THE IMPACT: COVID-19 HEALTH OF THE CAMPUS (Cary Christian School)

Meet the Teacher Day Tuesday, August 4

To create an orderly entry into our protocols for *Ready and Alert*, and to quickly get to the normalcy that always comes with the start of class, Meet the Teacher Day will look a little different from what it has in the past.

Orientation Video: At 8:00 A.M. we will post videos of our normal back to school talks, which will include:

- An introduction to administration
- Carpool
- First-day instructions
- Updates on co-curricular activities

Individual Class Meetings via Microsoft Teams - You will receive a link to join your virtual class meeting. A link will also be shared for the recorded version of the meeting if you were unable to attend.

- **Lower School** - Each classroom teacher will host a virtual meeting for students and parents to go through their supply lists, expectations, and classroom procedures.
- **Upper School** - Each grade level will host a virtual meeting to review supply lists and expectations.
- Teachers will upload their syllabi to their Veracross class websites for students and parents to view.
