

MITIGATING THE IMPACT: COVID-19 HEALTH OF THE CAMPUS (Cary Christian School)

Lower School – Social Distancing Rotation

Up to 15 students will be present in the classroom with 6 feet of space between students. On a rotation, a small group of students remain at home to watch class via a live stream. In a 3-week block, students will be present in the classroom each day with the exception of 5 days of at-home where they will learn through live streaming. We anticipate a schedule that looks something like this.

| Days Home | Monday | Tuesday | wednesday | Thursday | Friday |
|-----------|--------|---------|-----------|----------|--------|
| Week A | 1 | 2 | 3 | 1 | 2 |
| Week B | 1 | 2 | 3 | 2 | 3 |
| Week C | 1 | 2 | 3 | 1 | 3 |

| You will be in group... | if your last name begins with... |
|-------------------------|----------------------------------|
| 1 | A-F |
| 2 | G-M |
| 3 | N-Z |

Childcare will be provided at no charge on campus Monday-Friday 8:00 a.m. - 3:00 p.m. for those that need it. We encourage our families to stay home on their live streaming days unless there is a need for supervision.
