

# MITIGATING THE IMPACT: COVID-19 HEALTH OF THE CAMPUS (Cary Christian School)

## Upper School (6-12) – Social Distancing Rotation

Up to 20 students will be present in the classroom with 6 feet of space between students. On a rotation, a small group of students will be asked to watch class from home via a live stream, or a recorded lesson. Students will be present in the classroom 4 days each week with 1 day of at-home live streaming to enable all students to be at school as much as possible. Rhetoric School students will continue to follow their A-day, B-Day Block Schedule on both their in-person and their at-home live stream days. Logic School students will continue to follow their 6-period class schedules. We anticipate the rotation schedule looking something like this.
