

Cary Christian School Parent Teacher Fellowship (PTF) would like to welcome you to the CCS family!

On behalf of the Parent Teacher Fellowship, we would like to welcome you to Cary Christian School. We are looking forward to another great year and although things may end up looking a little different than what we're used to due to COVID-19, we continue to need our parents to support our students and our teachers as we strive for excellence in education.

The Parent Teacher Fellowship (PTF) is a group of volunteers who provide support and encouragement to the CCS staff, help meet classroom needs, and seek to build community by coordinating events for parents and families. Here are some examples of how PTF supports CCS:

- Providing staff luncheons, Thanksgiving pies, and refreshments for staff meetings
- Hosting fellowships for moms and dads
- Coordinating room moms for K-5 classes
- Purchasing wish list items for classrooms
- Hosting Teacher Appreciation Day
- Coordinating school-wide community events (Spirit Nights, Chili Cook-off)

PTF is also a great way to meet other parents and make those connections that could last a lifetime. For more information on ways to participate, please contact PTF at ptf@carychristianschool.org. Mark your calendar for our first PTF meeting scheduled for August 21st at 8:15am under the covered pavilion! Hope to see you there!

Other ways to connect and support CCS:

CCS Parents Google Group is a parent-moderated email community. It is not used for official CCS communication, but is a great venue for connecting with other parents to find used uniforms, set up carpools, and exchange other information. To join the group, email CCSParents+subscribe@googlegroups.com, using the email address you want to use on the group, and our moderator will approve your request. For any questions related to the group, please email kimberlystonebraker@gmail.com.

These businesses offer programs that give back to our school.

Harris Teeter

- Link your VIC Card to #4017 (CCS Code).
- PTF receives a percentage of purchase dollars of Harris Teeter brand products.
