

TUITION ASSISTANCE: GENERAL INFORMATION

APPLICATION PERIOD IS JANUARY 14 - FEBRUARY 12, 2021

WHO should apply for tuition assistance?

Cary Christian School recognizes that some families may need assistance in fulfilling their financial obligation for tuition. CCS allocates limited funds to help meet this need. Please examine your financial situation and prayerfully consider your needs before applying for assistance.

WHY apply now?

The tuition assistance allocation to families is made once per year from a set budgeted amount. Once allocated, these funds are no longer available.

WHAT is the process?

You will complete an online application, providing financial information and other details directly to Tuition Aid and Data Services (TADS). TADS is a third-party organization that will follow an objective process to determine need based on each application. TADS will recommend individual grant amounts, which will be incorporated into our allocation formula among the pool of applicants. There is a fee of \$45 to submit an application. All information provided will be maintained in a confidential manner.

VOLUNTEER REQUIREMENT FOR ALL RECIPIENTS: CCS requires all recipients of any type of tuition assistance granted by the school to fulfill a volunteer agreement. This will be completed by volunteering for one of a variety of available positions which will be assigned and directed by CCS administration. This process is handled at the time of grant allocation, and all recipients are expected to comply with this to receive a grant.

WHEN does it start?

The application period opens at 8:00 a.m. on Thursday, January 14, 2021, and closes at 11:59 p.m. on Friday, February 12, 2021

We encourage you to apply early, especially if you have extenuating circumstances. TADS often requires supplemental documentation when processing an application. **All documentation** must be into TADS no later than February 12 to be eligible for consideration for tuition assistance.

NOTE: Application and any supplemental documentation must be submitted to TADS by February 12, 2021, to be considered. Applications and supplemental documentation received after the deadline can NOT be considered in our allocation.

WHERE do I apply?

Directly below this information are the instructions. Simply follow the steps to submit an application online.
