

CCS On Campus PSAT/NMSQT and PSAT Registration

CCS is offering the **PSAT/NMSQT** and **PSAT** on **Wednesday, October 13**. Students need to arrive by **8:00 a.m.** The test will last until 11:45 a.m. to 12:15 p.m. depending on administration.

11th graders should take the PSAT/NMSQT. While this test is a practice SAT (PSAT), it is also the qualifier for the National Merit Scholarship (NMSQT). [Click here to register your Junior for the PSAT/NMSQT.](#)

10th graders may take the PSAT. While it is the exact same test that the juniors can take, sophomores take the test for practice. It does not qualify for the National Merit Scholarship. I advise sophomores take it to gain experience and as a baseline. [Click here to register your Sophomore for the PSAT.](#)

FAQ'S

How much is the test? The cost of the test is \$25 payable through Veracross Pay.

What is the deadline to register? August 26 is the deadline.

How long will the test last? For all tests, students must arrive by 8:00 a.m. Anyone arriving after 8:00 a.m., may not be admitted to the exam. Students will be done between 11:45 a.m. and 12:15 p.m. depending on the administration.

What about cellphones, smart watches, and calculators? Students may not bring cellphones and smart watches into the test room. They must leave those in the lockers or cars. Students must only use approved calculators. [Click here to access the approved calculators list.](#)

Do I need to wear my dress uniform for the test? No, you may wear modest street clothing.

When are the results available? Historically, results for the PSAT/NMSQT are available in December.

May freshmen take one of these tests? No, 9th graders may not take the PSAT.
