

Hi Seniors,

I hope you all had a great first month. As a class you seem to be in good spirits. Thank you all for your time at the Senior Lunch meeting last week. If you have any other questions about SSP or other thoughts on our topics, my door is always open to you.

In finishing September and (can you believe it?) making our way quickly to fall break, we want to share with you some upcoming dates.

SEPTEMBER

Monday, Wednesday, Friday, September 13-17: Homecoming

- **Monday - Wear red and represent your senior spirit!** Join us at lunch for games on the football field
- **Wednesday - 2000's Nostalgic TV Character Day** - Join us at lunch for games on the football field
- **Friday - CCS Spirit Day** - go all out! During the House timeframe, we will have a Pep Rally led by the Athletic Department and then our postponed Capture the Flag Color War. Please bring a white shirt and be prepared to change back into clean CCS spirit clothes during lunch. You are the leaders of Rhetoric School and we need you to come back into 4th period dressed well and ready to learn.

Wednesday, September 22: Worship Night - Come join us from 7-8 pm on the main athletic field. Bring your friends, family and a blanket/chair. It's going to be a great night!

Thursday, September 23: Senior Theme Day-Senior Citizens Day (a change from the original calendar) -With privilege comes great responsibility. *We are allowing you to leave 10 minutes early from 3rd period so you have more time for lunch as a senior privilege on the Senior Theme Days. Please show respect to your teachers and classmates by planning your time wisely and returning to 4th period on time. We want to continue allowing you extra time for lunch, but not at the cost of a negative impact on others. With that said, be respectful and responsible and have fun with this day!*

Sunday, September 26: Senior Night 5-7pm in the Senior Parking Lot area - Come hang out with friends, play games, and decorate parking spots and fence line. Friends, music, cornhole, spike ball and pizza! Parents are welcome. Bring a chair and \$5 for pizza. RSVP will be closer to the event.

OCTOBER

Friday, October 1: All School Spirit Day

- I appreciate your leadership as you have role modeled the dress code for the rest of the Rhetoric School. A friendly reminder to help with the shorts options...either uniform bottoms (khaki shorts/skirts) or long blue athletic shorts from Flynn O'Hara. These are the only non-long pants options for all non-uniform days. Please remember also that if you wear leggings, they must be covered by clothing that is as long as your typical uniform shorts and skirts...translation, no short shorts.
- [CCS non-uniform day guidelines are attached.](#)

It is so much fun to get to walk with you during your senior year! You are a strong class and I deeply admire and respect the way you take care of each other.

Finish this first quarter well!

Sincerely,

Diane Hills Grove
Dean of Students
