

# IN LOVING MEMORY OF GRADY GREENE

Grady Greene was a beloved student, friend, athlete, musician, brother, grandson, and son. Grady's smile would light up a room. He had the incredible gift of talking to anyone and making them laugh. His laughter was contagious. He was adventurous, strong, and kind. He blessed everyone who knew him, and maybe broke a pen or two along the way. His impact on this school community will be lasting. He was a leader and a dear friend. We are filled with great sadness, and we will miss this remarkable young man.

One of the blessings of Cary Christian School is that we get to journey through life together in joy and sorrow. We love the Greene family and are committed to supporting them now as well as into the future. Over time, their needs will change, and we want to love them well. Please reach out to [Diane Hillsgrove](#), if you are interested in specific ways to support the family at this time. Please continue to lift them up in prayer!

*As family members, we "rejoice with those who rejoice; mourn with those who mourn."  
Romans 12:15*
