

Cary Christian School

2022-2023 Chamber Choir Auditions

The CCS Chamber Choir is an auditioned musical group made up of 18-28 students selected from the existing CCS Concert Choir. Auditions for the CCS Chamber Choir are open to all students rising 8th through 11th grades for the school year 2022-2023. In addition, those students selected must participate in the CCS Concert Choir as a prerequisite during the school year. This group performs a variety of music but concentrates on classical selections that feature difficult and complex vocal arrangements suited for the advanced vocal performer. In addition to performing with the CCS Concert Choir during the year, the CCS Chamber Choir will travel next spring, March 14-20,2023 during spring break for our annual Spring Tour. We receive numerous invitations each year to perform at locations and festivals nationally as well as internationally and are diligently involved in the process alongside with our travel partner MCI in making a final decision as to next year's location which we will announce before the end of the school year.

Auditions for next year's group will take place on Saturday April 23,2022 from 9:00 am - 1:00 pm. The students will be required to sing a prepared hymn of our choosing, sing an additional music selection by part and within a small group. This will include both accompanied music as well as an acapella selection. Preferences will be given to upper class students that audition, but that will not be the sole method used in judging. Each candidate will also be judged in vocal ability, tonality, blending, pitch, rhythmic integrity, and musicianship. We want each student to understand that this is the beginning of many opportunities over the years and there will be additional opportunities each year for similar chances to perform in a group of this caliber. Those students that audition and are selected will be notified of their results on Wednesday April 27,2022 following the auditions. The results will be posted for students at CCS and parents will be notified accordingly through Veracross. In addition, those students not selected for this upcoming year group will also be notified prior the audition being posted by email.

Thank you for your continued support of the Choral Arts Program at CCS and if there are any additional questions, please feel free to me contact directly.
