COMMUNITY DEVELOPMENT

Provide leadership for social, service, and worship activities at school and in the local communities

The **Social President** (Senior), the **Social Vice President(s)** (Senior or Junior), and **Social Exec Team** is responsible for leading, planning and implementing social events at CCS. The Social Events currently include Homecoming, Hoedown, and Snowball, .

The **Service President** (Senior), the **Service Vice President(s)** (Senior or Junior), and **Service Exec Team** is responsible for leading, planning, and implementing service opportunities at CCS. The President(s) and Vice President chair the lunch program. The **CCS Service Team** organizes service opportunities with at least one activity per quarter, e.g., interactions between Lower School and Upper School students, Angel Tree, and Food Drives.

The **Worship President** (Senior), the **Worship Vice President(s)** (Senior or Junior), and **Worship Exec Team** is responsible for leading, planning and implementing worship events at CCS., e.g., monthly convocations and quarterly worship nights.

HOUSE

Build and strengthen CCS student community through competition and group events

Edwards

Lewis

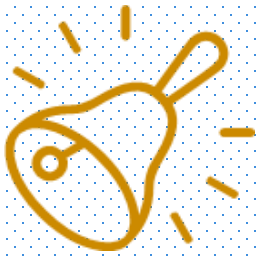

Luther

Schaeffer

The **House Presidents** (Senior), the **House Vice Presidents** (Senior or Junior), and the **House Exec Teams** are responsible for leading, planning, and implementing House activities at CCS. The House system provides opportunities for what we call “vertical unity.” Rather than the standard categories of grade and age providing an identity, the House encourages younger students to look up to and interact with older students, while the older students are given the opportunity to lead and care for the younger students. All 6th – 12th grade students and teachers are assigned to a House. Through the years, students from the same family are assigned to the same House to build and nurture the legacy of community interactions.

House Activities are scheduled for one Friday each month and are led by the House Exec Teams.

- Intramurals: athletic and non-athletic activities(sports, strategy games-ex. Chess, drama/singing, community food events/cookoffs)
- Pep Rallies
- Knightsfest

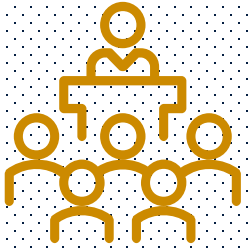

COMMUNICATIONS

Coordinate communications to promote events to the CCS community

The **Communications President** (Senior) and **Vice President** (Senior or Junior) will work with all student Leadership Groups and organizations, with oversight from the Director of Communications, to manage student communications for the Knightly News, the Commons Area message board, and social media posts.

CLASS REPRESENTATIVES

Serve as liaisons between the student community and the CCS Administration

Class Representatives will be referred by students and appointed by teachers and the CCS Administration. Each 6th grade – 12th grade class will have representation.

The Class Representatives and School Administrators will engage in rational, loving conversations addressing issues concerning our classrooms, our culture, and our campus.

CLUBS

Allows opportunity for students to explore new areas of interest.

With oversight from a faculty advisor, **Club Leaders** manage a variety of clubs at CCS. The 2020-2021 clubs are in the planning stages and will be communicated this summer.
