
SENIOR THESIS ENCORE NIGHT

Thursday, May 11, 2023 | 7:00 P.M. | CCS Theater

The capstone of a student's experience at Cary Christian School is the senior thesis. Attending a senior thesis presentation is one of the very best ways to witness firsthand the extraordinary fruit of a classical Christian education.

You are invited to join us on May 11 as we hear from four of our top seniors in a special evening presentation. These students will speak on a variety of relevant and challenging biblical and cultural subjects. Each presentation will last 5-10 minutes, followed by a 10-15 minute period of dialogue answering questions from the audience.

This is a great event for current and prospective families who want to learn what the senior thesis—and a K-12 CCS education—is all about.

A CCS graduate recently told us that his senior thesis project “was the most rewarding and most enjoyable project I ever worked on.” We hope you will join us as we share and celebrate this remarkable achievement!
