# LABELING GUIDELINES

## PLEASE READ ALL INSTRUCTIONS CAREFULLY

- All items must be tagged prior to being brought to the sale.
- To tag your items, use half of a 3"x5" index card, making your tag 2 ½"x 3".
- Use a **WHITE** index card if you will be picking up unsold items after the sale.
- Use a **COLORED** index card if you will be donating unsold items after the sale; donations will benefit needs within our CCS community.
- Double-check your tags for accuracy.

<b>ITEM DESCRIPTION</b> Please describe any alterations, e.g., waist taken in, hem let out.		
<b>PRICE</b> in whole dollar amounts		

### PLEASE WRITE LEGIBLY

- **Seller ID:** the last 4 digits of phone number followed by the first letter of your first and last names. For example, Ellen Wentz would write 0100EW.
- **SIZE:** Copy the size from the item's tag or estimate if unknown.
- **TAGS:** Attach tag to clothing securely with a safety pin. Hole punching the card first helps. Do not use straight pins, tape, or other kinds of fasteners. If a tag falls off, the item will not be sold. Pin the tag to the upper left corner of the garment (over the heart for tops or over the pocket for pants).
- **HANGERS:** Hang your items on hangers with the hooks facing left, away from the tag (like a question mark). Hang pants, shorts, skirts (bottom pieces) with a clip hanger. (Your clothing will show better this way). Hangers will be given to buyers and not returned to sellers.
- **ORGANIZE:** Please group your items by item and size.
- **SHOES:** Connect shoes together. We recommend using cable ties.
