

CCS UPPER SCHOOL SUMMER READING

Cary Christian School's Summer Reading Program is about to begin for 2023! Together, students will explore more great books and make reading a fun part of everyone's summer!

One carefully selected grade-level book will be sent home with each student. You may read it individually or as a family before the first day of school. Upon return in August, students will engage in book discussions as we kick off the Fall Semester in our Literature classes. **(Please don't write in the book. The book will be turned in and reused each year.)**
