House President and Vice President: Senior/Junior students who provides leadership to House Leaders

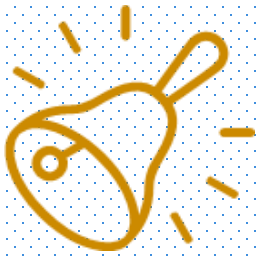

House Exec Team: Students who provide leadership to their assigned House

House Advisors: Teachers who provide leadership and coaching to the House student leaders

The House system provides opportunities for what we call “vertical unity.” Rather than the standard categories of grade and age providing an identity, the House encourages younger students to look up to and interact with older students, while the older students are given the opportunity to lead and care for the younger students. All 6th – 12th grade students and teachers are assigned to a House. Through the years, students from the same family are assigned to the same House to build and nurture the legacy of community interactions.

House Activities are scheduled for one Friday per quarter (Rhetoric School) and every Friday (Logic School) and are led by the House Leadership and House Advisors.

- Intramurals: athletic and non-athletic activities (sports, strategy games, e.g., Chess, drama/singing, community food events/cookoffs)
- Events
- Knights' Fest

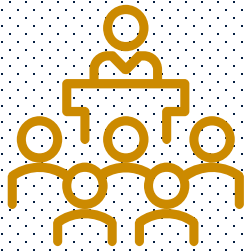

COMMUNICATIONS

Coordinate communications to promote events to the CCS community

The Communications President (Senior) and Vice President (Senior or Junior) will work with all student Leadership Groups and organizations, with oversight from the Director of Communications, to manage student communications for the *Knightly News*, the Commons Area message board, hallway bulletin boards, and social media posts.

CLASS REPRESENTATIVES

Serve as liaisons between the student community and the CCS Administration

Class Representatives are nominated by students and appointed by teachers and the CCS Administration. Each 7th grade – 12th grade class will have representation.

The Class Representatives and School Administrators will engage in rational, loving conversations addressing issues and working together to determine solutions concerning our classrooms, our culture, and our campus.

COMMUNITY DEVELOPMENT

Provide leadership for social, service, and worship activities at school and in the local communities

The **Social President** (Senior), the **Social Vice President** (Senior or Junior), and **Social Exec Team** are responsible for leading, planning, and implementing social events at CCS. The Social Events currently include Hoedown, Snowball, and the Christmas activities.

The **Service President** (Senior), the **Service Vice President** (Senior or Junior), and **Service Exec Team** are responsible for leading, planning, and implementing service opportunities at CCS. The Service opportunities consist of activities with at least one activity per quarter (e.g., interactions between Lower School and Upper School students, Angel Tree, Note writing, Food Drives, etc).

The **Worship President** (Senior), the **Worship Vice President** (Senior or Junior), and **Worship Exec Team** are responsible for leading, planning, and implementing worship events at CCS. They will host one community wide worship night per quarter.

CLUBS

Allows opportunity for students to explore new areas of interest.

With oversight from a faculty advisor, **Club Directors** manage a variety of clubs at CCS. The 2023-2024 Club leadership will participate in the August Club Expo to highlight their clubs so students can learn more about the offerings and how to get involved. If a student is interested in starting a new club, they should speak with Mr. Adams to share their idea, learn the process, and get a club application form.
