

2023-2024 8th Grade Retreat

Why a Retreat?

Community...we were made for community. At Cary Christian School, we have the incredible opportunity to build deep lasting relationships with our K-12 structure and smaller class sizes. Relationships, however, require intentional focus. This retreat is designed to reach the following goals:

- Provide opportunities for students to consider their own relationship with God and how they want to grow in their faith this year.
- Provide opportunities for students to strengthen relationships with others in their grade and with their teachers through safe, fun activities.
- Provide opportunities for the Eighth Grade class to become more unified in school spirit and in their commitment to leadership on the Logic School hall.
- Have fun!
