

## Logic House Service Project

Logic House is excited to announce our upcoming service project this April, and we would greatly appreciate your assistance. Our Logic School students will be assembling hygiene kits, creating no-sew blankets, and writing encouraging letters for individuals being served by the following nonprofits serving our larger local community: Isaiah 117 House (serving foster children) and The Caring Place (serving working homeless families).

To support this initiative, we are in need of the following donations:

- Shampoo and Conditioner (travel size)
- Toothpaste and Toothbrushes (adult and kid sizes)
- Unused toiletry bags (for teens)
- Lotion
- Razors (Men and Women)
- Deodorant (Men and Women)
- Soap
- Clean socks (adult and kid sizes)
- Lip balm
- Comb or Brush
- Protein bars/snacks (nothing that would melt)
- Fleece fabric (2yds)
- Gift card donations: Walmart, Hobby Lobby, Amazon

Our goal is to demonstrate love for our community while teaching our students the importance of compassion and outreach. This project offers a wonderful opportunity for them to embody the love of Jesus in their actions.

If you would like to donate, please ensure that all donations are submitted by April 2 to allow us adequate time for assembly and distribution. Donations can be dropped off with Mr. Howell at the Logic/Rhetoric desk.

If you have any questions or require further information, please do not hesitate to reach out. I am more than happy to assist!

Thank you for your support.

Sincerely,  
Kendal Myers  
Head of Logic School House
